FTII STRIKE: Day 108

Today morning, we received an official communication via email from the Joint Secretary with confirmation of the meeting with the ministry officials on the 29th of September, 2015 at the Films Division in Mumbai at 11:00 a.m.

As per our previous communication to the ministry, as well as the media, the hunger strike was called off some time later. The students of the FTII were happy to see a prompt response to their request for confirmation of the modalities of the meeting and will now approach this dialogue with a view to finding solutions with the ministry to resolve this crisis as soon as possible.

Please do note that the hunger strike has now been called off, but the strike of the FTII students still as of now, continues.
